

Noxious Weed Management Technical Workshop

10th Annual Montana Forest Landowners Conference And Society of American Foresters State Meeting

Copper King Hotel & Convention Center
Butte, MT

Thursday, April 11, 2019

The goal of this workshop is to address noxious weed management by providing foresters and landowners with tools and knowledge needed to incorporate sound forest management treatments into forest management plans and prescriptions.

SAF has applied for SAF Certified Forester Continuing Education Credits, Montana Accredited Logging Professional (ALP) continuing credits, and Montana Pesticide Applicators Continuing Education Credits.
